

# UrbaChina Newsletter

UrbaChina, a FP7 programme coordinated by CNRS-EHESS

2014-23 (June)

*Environment: Accelerate research on land creation*

edited by Jacqueline Nivard

China's campaign to bulldoze mountains to build cities needs expertise to avert geoenvironmental problems, warn Peiyue Li, Hui Qian and Jianhua Wu.

<http://urbachina.hypotheses.org/9991>

*Solar Decathlon Europe 2014*

edited by Jacqueline Nivard

The Solar Decathlon Europe is an international competition that challenges collegiate teams to design and build houses powered exclusively by the sun.

## *Policy implementation through the lowest levels of the state*

written by Miguel Elosua

This presentation was given by Stephan Feuchtwang during the 4th international conference of UrbaChina held in Chongqing from May 28th to May 30th, 2014.

<http://urbachina.hypotheses.org/9952>

## *Land use policy in China*

edited by Monique Abud

Special issue of Land Use Policy, devoted to China. It follows an international conference on 'Land Use Issues and Policy in China under Rapid Rural and Urban Transformation', held at the Chinese Academy of Sciences in Beijing, China, October 2012.

<http://urbachina.hypotheses.org/9933>

## *Sustainable City 2014*

edited by Monique Abud

Call for papers for the 9th International Conference on Urban Regeneration and Sustainability, to be held in Siena, Italy.

<http://urbachina.hypotheses.org/9877>

## *Urban Issues in Asia and the Pacific Rim*

edited by Sebastien Goulard

A special issue of the Journal of Urban Affairs contains articles on the new peri-urbanisation and urban theory in Asia and the Pacific Rim.
